Honorable Commissioner for Patents

TECHNOLOGY CENTER 2800

Sir:

In response to the Office Action dated 18 October 2002, the period for response to which is 21 January 2003, reexamination and reconsideration of the above-referenced U.S. patent application is respectfully requested in view of the following

Remarks.

REMARKS

The Office Action rejected pending claims 8 and 13 under the judicially-created doctrine of obviousness-type double patenting over claims 1 and 8 of U.S. Patent 6,239,604. Filed herewith is a Terminal Disclaimer under 37 C.F.R. § 1.321.

Accordingly, it is respectfully submitted that the obviousness-type double patenting rejection of claims 8 and 13 has now been overcome.
